

TOASTMASTERS INTERNATIONAL, OMAN (Oman Gavel clubs)

WORDMASTER

It is the Word master's responsibility to introduce a new word to the club. The word should help members increase their vocabulary – a word that can be incorporated easily into everyday conversation. He can send in the word to the members in advance so that the speakers can try to incorporate the word into their speeches.

The Grammarian is the watchdog for good usage of the language. He comments on the use of language during the course of the meeting, and provides examples of eloquence and also corrections. Choose your own word. Here word "SPLENDID" is used as an example
